HEX@TEX

Hydrogen Emissions eXchange at the University of Texas, Austin

November 3 - 4, 2026

An Event Hosted By:

HEX@TEX is back — bigger and better than before!

Open to all, the annual Hydrogen Emissions eXchange at the University of Texas at Austin is your front-row seat to important emissions discussions playing a pivotal role in the future of the hydrogen industry.

About HEX@TEX

Hosted by GTI Energy's HyRes and the Webber Energy Group at UT Austin, HEX@TEX brings together hydrogen stakeholders from around the world — including leaders in government, academia, industry, and environmental advocacy — to advance knowledge, share best practices, and drive cutting-edge innovation in hydrogen emissions detection and measurement.

Where

Lil Tex Auditorium (Room 1.122), Commons Conference Center,
J. J. Pickle Research Campus, the University of Texas at Austin, Austin, TX

When

Tuesday, Nov. 3rd- Wednesday, Nov. 4th , 2026

Why Attend?

- Network with hydrogen experts and decision-makers
- Learn about the latest in hydrogen detection technologies
- Participate in collaborative sessions to gain information on the current state of the hydrogen economy
- Hear first-hand about breakthrough research and case studies
- Tour state-of-the-art energy facilities

**Register
Here:**

HEX@TEX

Hydrogen Emissions eXchange at the University of Texas, Austin

November 3 - 4, 2026

HEX@TEX Sponsor Packages

Join us in supporting the advancement of hydrogen innovation by becoming a sponsor at HEX@TEX, hosted at the J. J. Pickle Research Campus, The University of Texas at Austin. This premier annual event convenes global hydrogen stakeholders from government, industry, academia, and technology sectors.

Gold Sponsor – \$10,000

(1 Slot Available)

Reception & Dinner Sponsor

As the exclusive Gold Sponsor of HEX@TEX 2025, your organization will be prominently recognized as a key catalyst for global and cross-generational dialogue on hydrogen —fostering high-level industry exchange while also supporting the next generation of talent. There will be a student poster session hosted during the reception thus, you'll play a direct role in advancing education, mentorship, and knowledge sharing between emerging researchers and global stakeholders. This high-visibility opportunity demonstrates your commitment to both cutting-edge innovation and inclusive growth in the energy sector.

Exclusive Benefits:

- 10–15 minute presentation during dinner
- Premium sponsor table next to the registration area for the whole duration of the event
- Recognition as Gold Sponsor in:
 - All email blasts
 - Event website
 - Other applicable marketing content
 - Welcome remarks
- Featured mention in social media posts
- Verbal recognition at reception
- Attendee list (post-conference)
- 3 complimentary registrations

Silver Sponsor – \$5,000

(3 Slots Available)

Breakfast or Lunch Sponsor

As a Silver Sponsor of HEX@TEX 2025, your organization will play a vital role in supporting collaboration and knowledge sharing among global hydrogen stakeholders. By sponsoring a conference breakfast or lunch, you'll create space for informal networking, cross-sector dialogue, and community building throughout the event. Your brand will be recognized in key communications —showcasing your commitment to advancing innovation and practical solutions in hydrogen emissions detection and management.

Benefits Include:

- 5–10 minute remarks during sponsored meal
- Recognition as Silver Sponsor in:
 - All email blasts
 - Event website
 - Other applicable marketing content
 - Welcome remarks
- Sponsor table in shared exhibitor area and during sponsored meal
- Acknowledgment during sponsored meal (breakfast or lunch)
- Mention in select social media posts
- 2 complimentary registrations

November 3 - 4, 2026

HEX@TEX Sponsor Packages

Join us in supporting the advancement of hydrogen innovation by becoming a sponsor at HEX@TEX, hosted at the J. J. Pickle Research Campus, The University of Texas at Austin. This premier annual event convenes global hydrogen stakeholders from government, industry, academia, and technology sectors.

Bronze Sponsor – \$2,500

(3 Slot Available)

Reception & Dinner Sponsor

This sponsorship package option is exclusive to foundations and non-profits. Support Global Access & International Dialogue Foundations and philanthropic organizations play a critical role in shaping inclusive, solutions-driven climate conversations. Foundation sponsorships for HEX@TEX 2025 will go towards the International Travel Fund to cover travel and lodging costs for international speakers. This will provide a broader geographic and disciplinary representation in conference programming and enhance collaboration between U.S. and global hydrogen stakeholders.

Sponsorship Benefits Include:

- Recognition as Bronze Sponsor in:
 - All email communications
 - Event website and program
 - On-site signage and welcome remarks
 - All social media platforms
- Verbal acknowledgment during conference sessions where international speakers present
- 3 complimentary conference registration
